EDUCATION

2018 - 2023 **L.L.B. Common Law**
University Of Ilorin

ABOUT ME

I'm a curious, self-efficacious individual always seeking to enhance myself, to grow and to reach my full potential. I've always had an interest in tech and hope to nurture this even further to be the best possible version of myself.

EXPERIENCE

2014 - 2018 **UNIVACITI SEF Training**
UNIVACITI
The training covered software development as a whole, and helped with visualizing the several parts of software development and how they are put together to create usable tech products.
